Lee Moore, Sr., Betty, Verdena (sister), Erik, (cousin)

(dad could not state child's birth date, had to ask wife. could not clearly recall the  
 developmental milestones, did not give detailed history of Lee as a child while he was  
 with the family) (Erik and Lee used to be close)

  - d. school was Central Baptist
  - e. Lee began at Mt. Healthy around the 3 or 4 grade because he had failed  
 that grade and mom did not want to waste the money if he were not going to  
 pass his classes. (dad seemed to display indifference to this, seemed to want to  
 subtly blame mom for the school change) Central was expensive because it was private
  - f. seemed to recall that during the 5 and 6 grade Lee seemed to do ok.
3. Mom did most of the discipline - spanking with hand and sometimes with a belt
4. reported that Lee did drugs and alcohol around the age of 17 or 18, felt that Lee was doing  
 some selling also (Erik) Lee succumbed to peer pressure in this area because he wanted to be

 TO DEAL WITH THE ACCEPTANCE OF THE FRIENDS HE DID MAKE -

## SOCIALLY AWKWARD (?)

18. (Erik) Lee always a big risk taker, never though that he would get caught - always had things figured out so that he would not get into trouble
19. (Erik) the robbery part of the crime was probably pre-meditated - Lee liked nice cars, wanted one - Olinger had a nice car.
20. (Erik) prior to the robbery and murder, Lee and his friends had gone out for some time looking for possible robbery victims, unclear whether this was the planning stages or whether they were just having fun, they would talk and plan how to commit the robbery, however they never actually robbed anyone before mr. Olinger
  - a. (Erik) BECAUSE LEE WAS ROBBED AT GUNPOINT AND IT HAD HIM SCARED AND WORKED ON HIM HE MAY HAVE THOUGHT THAT THIS WAS THE BEST AND QUICKEST WAY TO COMMIT THE ACT OF ROBBERY AND LEAVE SOMEONE VERY SCARED AND UNABLE TO DEFEND THEMSELVES
